Bridgeport Hospital opens new outpatient radiology center in Trumbull

TRUMBULL, CT (March 14, 2014) – The Bridgeport Hospital Outpatient Radiology network opened a new, fifth center at 5520 Park Ave., Suite 200, in Trumbull on March 13. Hours are Monday – Friday, 8:30 am – 5 pm.

The center offers X-rays, mammograms and ultrasound exams. Other services already offered at the same location include the Park Avenue Perinatal Specialists antenatal testing center, a blood draw station and a satellite office of the Norma F. Pfriem Breast Care Center. The hospital plans to start construction later this year on a new medical office building at the site to add more services.

Bridgeport Hospital's four other outpatient radiology centers are at 4699 Main Street in Bridgeport, which also provides CT scans; 425 Post Road, Fairfield; 2909 Main Street, Stratford; and an MRI service at 2595 Main Street, Stratford. The network is a collaboration with Yale School of Medicine, which provides professional services at the centers.

For more information or to schedule an appointment, call (203) 683-9729 (XRAY).

Part of Yale New Haven Health System, Bridgeport Hospital is a 383-bed acute care hospital (plus 42 beds licensed to Yale-New Haven Children's Hospital) serving parts of Fairfield and New Haven counties, including Connecticut's most populous city. The hospital admits more than 18,000 patients and receives more than 240,000 outpatient visits annually.
