

The "Charity Chicks" of Plainfield recently presented a check for \$5,600 to the Day Kimball Healthcare Deary Memorial Cancer Fund. The Charity Chicks are a grassroots group who held a fundraiser featuring bands, dancing and a silent auction, on January 12, 2013 in Plainfield. In a previous year, the Charity Chicks donated proceeds of their event to Day Kimball Healthcare's Women's Health Center on Lathrop Road in Plainfield.

The DKH Deary Memorial Cancer Fund provides coverage for mammograms, colonoscopies and other cancer-related screenings, surgeries, treatment and medications for patients who cannot afford to get help. Last year, more than 100 community members benefitted from the DKH Deary Memorial Cancer Fund.
