PUTNAM, CONN. – Maria Raszka has been named employee of the month for March at Day Kimball Healthcare (DKH). She is the administrative assistant to the vice president of physician services, as well as the credentialing coordinator for Day Kimball Medical Group.

“Maria is such a pleasure to work with, she is always kind and willing to do anything for anyone, and she does it with a smile,” said Christine Vallee, vice president of physician services. Vallee added, “Maria has initiative and is extremely hardworking. Recently she did an amazing job as we transitioned many physician practices into Day Kimball Medical Group, which holds over 70 physicians and midlevel providers.
