**LAUREN IBRAHIM, M.D., JOINS SAINT FRANCIS**  
*Specialist in Infectious Diseases*

(Hartford, Conn. –Feb. 23, 2015) –Lauren Ibrahim, M.D., of Farmington, a specialist in infectious diseases, has joined the medical staff of Saint Francis Hospital and Medical Center.

Dr. Ibrahim received her medical degree from Ross University School of Medicine, Dominica, West Indies. She completed her internal medicine residency at Maimonides Medical Center, Brooklyn, New York, and an infectious diseases fellowship at the University of Buffalo, SUNY, New York.

Board certified in internal medicine and infectious diseases, Dr. Ibrahim is a member of the Educational Commission of Foreign Medical Graduates, the American College of Physicians, the Infectious Disease Society of America and the Society of Healthcare Epidemiology of America.

At Saint Francis, Dr. Ibrahim is practicing as a member of the Saint Francis Medical Group.

**About Saint Francis Care**

Saint Francis *Care* is an integrated healthcare delivery system established by Saint Francis Hospital and Medical Center, an anchor institution in north central Connecticut since 1897. Licensed for 617 beds and 65 bassinets, it is a major teaching hospital and the largest Catholic hospital in New England. Other major entities of Saint Francis *Care* include The Mount Sinai Rehabilitation Hospital, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, the Saint Francis/Mount Sinai Regional Cancer Center, the Joyce D. and Andrew J. Mandell Center for Comprehensive Multiple Sclerosis Care and Neuroscience Research, and Saint Francis HealthCare Partners. Johnson Memorial Medical Center, parent organization of Johnson Memorial Hospital, Evergreen Health Care Center, and Home and Community Health Services, is also a Saint Francis *Care* Partner. Saint Francis *Care's* services are supported by a network of five major Access Centers and eight additional medical office centers sited throughout the region.
