What: Ribbon-Cutting Ceremony for the GI Endoscopy Center

When: Wednesday, December 10, at 5:30 p.m.

Where: Saint Francis Hospital GI Endoscopy Center
360 Bloomfield Avenue
Windsor, CT

Saint Francis Hospital and Medical Center has embarked on a ground-breaking joint venture with its physician partners. Eleven board certified gastroenterologists and colorectal surgeons have formed the *Saint Francis GI Endoscopy, LLC*.

The state-of-the-art outpatient facility occupies over 5,500 square feet and has 4 pre-op beds, 6 post-op beds, 3 procedure rooms, and 1 consultation room.

In addition, the Center is a paperless charting facility, using ProVation® Medical for its electronic health record and HST for billing and office management.

Tours will be made available upon request.
