SAINT FRANCIS AND LOCAL PHYSICIAN GROUP EMBARK ON GROUND-BREAKING JOINT VENTURE

Saint Francis Hospital and Medical Center Joins with Saint Francis GI Endoscopy, LLC to Launch Windsor Facility

(Hartford, CT) – Saint Francis Hospital and Medical Center and the eleven board certified gastroenterologists and colorectal surgeons who have formed the *Saint Francis GI Endoscopy, LLC.*, gathered today to cut the ribbon on a new facility located along I-91 in Windsor.

“This center dedicated to endoscopy and colorectal procedures facilitates clinical work, multidisciplinary education, collaborative research, and offers patients unprecedented convenience,” said Dr. Anthony Zaldonis, Gastroenterologist and President of Saint Francis GI Endoscopy, LLC.

The Saint Francis GI Endoscopy Center is a state-of-the-art outpatient facility located at 360 Bloomfield Avenue in Windsor, located at exit 37 off I-91. “This location offers easy access from the highway and no-hassle parking. This is one of many things that ensure convenience and a quality experience for patients while providing exceptional patient care by experienced physicians in an outpatient setting,” said Christopher Dadlez, President and CEO, Saint Francis Hospital and Medical Center.

The Center is equipped with advanced technology for endoscopy and colonoscopy procedures. It occupies over 5,500 square feet and has 4 pre-op beds, 6 post-op beds, 3 procedure rooms, and 1 consultation room.

In addition, the facility is paperless and utilizes a state-of-the-art electronic medical record system for clinical accuracy and operational efficiency for its billing and office management.

To schedule an appointment, please call (860) 683-9991.

Founded in 1897, Saint Francis is a major teaching hospital licensed for 617 acute inpatient beds and 65 bassinets. It is the largest Catholic hospital in New England.
