JOHN HANNA, M.D., JOINS SAINT FRANCIS
Specialist in Hospital Medicine

(HARTFORD, Conn.) – John Hanna, M.D., of Manchester, a specialist in hospital medicine, has joined the medical staff at Saint Francis Hospital and Medical Center.

Dr. Hanna received his doctorate degree from Ross University School of Medicine, Dominica, West Indies. He completed his residency in internal medicine at St. Joseph's Medical Center, Paterson, New Jersey.

Dr. Hanna is eligible to be board certified and is National Institute of Health Stroke Scale certified.

At Saint Francis, Dr. Hanna is a practicing member of the Saint Francis Medical Group.

About Saint Francis

Saint Francis *Care* is an integrated healthcare delivery system established by Saint Francis Hospital and Medical Center, an anchor institution in north central Connecticut since 1897. Licensed for 617 beds and 65 bassinets, it is a major teaching hospital and the largest Catholic hospital in New England. Other major entities of Saint Francis *Care* include The Mount Sinai Rehabilitation Hospital, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, the Saint Francis/Mount Sinai Regional Cancer Center, and the Joyce D. and Andrew J. Mandell Center

for Comprehensive Multiple Sclerosis Care and Neuroscience Research. Its services are supported by a network of five major Access Centers and eight additional medical office centers sited throughout the region. For more information, visit www.stfranciscare.com.
