CONSTANTINOS CONSTANTINOU, M.D., JOINS SAINT FRANCIS *Specialist in Cardio-Thoracic Surgery*

(HARTFORD, Conn.) – Constantinos Constantinou, M.D., of Tolland, a specialist in Cardio-Thoracic surgery, has joined the Medical Staff of Saint Francis Hospital and Medical Center.

Dr. Constantinou received his medical degree from National and Kapodistrian University of Athens, Greece. He completed a cardio-thoracic fellowship at the University of Texas Medical Branch, TX. Dr. Constantinou completed a residency program in Critical Care and General Surgery at New York Medical College, NY.

He is Board Certified by the American Board of General Surgery and Thoracic Surgery. Dr. Constantinou is a member of the International Society of Heart and Lung Transplantation; the American College of Chest Physicians; the Thoracic Surgery Residents Association; and the Cardiothoracic Surgery Network.

At Saint Francis, Dr. Constantinou is practicing as a member of the Saint Francis Medical Group.

[About Saint Francis](#)

Saint Francis *Care* is an integrated healthcare delivery system established by Saint Francis Hospital and Medical Center, an anchor institution in north central Connecticut since 1897. Licensed for 617 beds and 65 bassinets, it is a major teaching hospital and the largest Catholic hospital in New England. Other major entities of Saint Francis *Care* include The Mount Sinai Rehabilitation Hospital, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, the Saint Francis/Mount Sinai Regional Cancer Center, and the Joyce D. and Andrew J. Mandell Center for Comprehensive Multiple Sclerosis Care and Neuroscience Research. Its services are supported by a network of five major Access Centers and eight additional medical office centers sited throughout the region. For more information, visit www.stfranciscare.com.
