Day Kimball Hospital Visitation Policy Restrictions

Due to the increase of influenza in our community, we're taking stronger measures to protect our patients and staff. Effective immediately, the following restrictions and actions are in place at Day Kimball Hospital until further notice:

- No persons with flu-like symptoms will be allowed to visit patients. Flu-like symptoms include fevers, chills, running nose, sneezing, coughing, body aches, vomiting or diarrhea.
- No one under the age of 18 may visit patients anywhere in the hospital without permission from healthcare providers and for special circumstances.
- All visitors are requested to please limit the amount of people and time spent in the patient room.
