## **Bridgeport Hospital, Yale New Haven Health to offer COVID-19 vaccinations to the public**

**Bridgeport, CT (Jan. 15, 2021)** – Yale New Haven Health will begin vaccinating individuals who are 75 and older – the first group in the state’s Phase 1B – beginning Wednesday, Jan. 20. Appointments will be on a first-come, first-served basis. To make an appointment, visit [www.ynhhs.org/covidvaccine](http://www.ynhhs.org/covidvaccine).

These YNHHS public vaccination sites will begin to open next week: Greenwich, New London, North Haven, Old Saybrook and Trumbull.

More sites will be added as they are approved.
