Prostate Cancer: Treatment Options and Decisions topic of April 16 meeting in Trumbull

Bridgeport Hospital urologist Arthur Pinto, MD, will discuss “Prostate Cancer: Treatment Options and Decisions” during the next meeting of Man to Man, the hospital's prostate cancer support group, 6:00–8:00 p.m., Tuesday, April 16, at Spring Meadows, 6949 Main St., Trumbull. The meeting is free and open to the public. A light dinner will be served. For information or to register, call toll free 24/7, 1-888-357-2396.

The Norma F. Pfriem Cancer Institute at Bridgeport Hospital provides care to more than 1,000 newly diagnosed cancer patients each year, a greater number than any other hospital in Fairfield County. The hospital is a member of the Yale-New Haven Cancer Network, an alliance of hospitals across Connecticut that provides access to the latest breakthroughs and delivers an unparalleled level of expertise in cancer prevention, early diagnosis and groundbreaking therapy.

#####

Bridgeport Hospital is a member of Yale New Haven Health System (YNHHS), the largest and most comprehensive integrated health care delivery system in Connecticut. Yale New Haven Health System is recognized for advanced clinical care, quality, service, cost effectiveness and commitment to improving the health status of the populations it serves. Yale New Haven Health System's service area covers portions of eastern New York, the state of Connecticut and southwestern Rhode Island. Yale New Haven Health System is committed to making the best health care easier to use.
