**ADAM PERRIN, M.D., FAAFP, CAQ-SM JOINS SAINT FRANCIS**  
*Specialist in Family Medicine*

(HARTFORD, Conn. – June 13, 2013) - Adam Perrin, M.D., FAAFP, CAQ-SM, of Middlefield, has joined the medical staff of Saint Francis Hospital and Medical Center.

Dr. Perrin received his medical degree from Wayne State University, School of Medicine, Detroit, MI. He completed his residency in family medicine at Middlesex Hospital, Middletown.

Dr. Perrin is an assistant clinical professor in the Department of Family Medicine at the University of Connecticut School of Medicine. He is also an assistant clinical professor in the Department of Internal Medicine at Yale University School of Medicine. Dr. Perrin is also the faculty preceptor for the University of Connecticut School of Medicine Migrant Farm Worker Clinic.

Dr. Perrin is board certified in Medical Quality by the American College of Medical Quality. He earned an Added Qualification in Sports Medicine and is a Credentialed ImPACT Consultant in Concussion Management. Dr. Perrin is a charter member of the Connecticut Concussion Task Force. Dr. Perrin is a member of the Connecticut State Medical Society and the American Medical Society of Sports Medicine.

At Saint Francis, Dr. Perrin is practicing as a member of the Saint Francis Medical Group.

**About Saint Francis Care**

Saint Francis Care is an integrated healthcare delivery system established by Saint Francis Hospital and Medical Center, an anchor institution in north central Connecticut since 1897. Licensed for 617 beds and 65 bassinets, it is a major teaching hospital and the largest Catholic hospital in New England. Other major entities of Saint Francis Care include The Mount Sinai Rehabilitation Hospital, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, the Saint Francis/Mount Sinai Regional Cancer Center, the Joyce D. and Andrew J. Mandell Center for Comprehensive Multiple Sclerosis Care and

Neuroscience Research, and Saint Francis Health*Care* Partners. Its services are supported by a network of five major Access Centers and eight additional medical office centers sited throughout the region. For more information, visit [www.stfranciscare.com](http://www.stfranciscare.com).
