Specialist in Physical Medicine and Rehabilitation

(Hartford, Conn. –September 29, 2014) –Moeid Khan, M.D., a specialist in physical medicine and rehabilitation, has joined the medical staff of Saint Francis Hospital and Medical Center.

Dr. Khan received his medical degree from Saint George University, Grenada. He completed an internship in internal medicine at Albany Medical College, Albany, New York, and his residency in physical medicine and rehabilitation at Case Western Reserve University, Cleveland, Ohio.

Board eligible by the American Board of Physical Medicine and Rehabilitation, and the American Association of Neuromuscular and Electrodiagnostic Medicine, Dr. Khan is also a member of the American Academy of Physical Medicine and Rehabilitation, the American Institute of Ultrasound Medicine and the American Medical Association.

At Saint Francis, Dr. Khan is practicing as a member of the Saint Francis Medical Group.

About Saint Francis Care

Saint Francis *Care* is an integrated healthcare delivery system established by Saint Francis Hospital and Medical Center, an anchor institution in north central Connecticut since 1897. Licensed for 617 beds and 65 bassinets, it is a major teaching hospital and the largest Catholic hospital in New England. Other major entities of Saint Francis *Care* include The Mount Sinai Rehabilitation Hospital, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, the Saint Francis/Mount Sinai Regional Cancer Center, the Joyce D. and Andrew J. Mandell Center for Comprehensive Multiple Sclerosis Care and Neuroscience Research, and Saint Francis Health*Care* Partners. Johnson Memorial Medical Center, parent organization of Johnson Memorial Hospital, Evergreen Health Care Center, and Home and Community Health Services is also a Saint Francis *Care* Partner. Saint Francis *Care*'s services are supported by a network of five major Access Centers and eight additional medical office centers sited throughout the region.
