**MICHAEL R. GREY, M.D., M.P.H., F.A.C.P., F.A.C.O.E.M. JOINS
SAINT FRANCIS HOSPITAL AND MEDICAL CENTER**
Chair of Medicine

(HARTFORD, Conn. – June 8, 2016) Michael R. Grey, M.D., M.P.H., F.A.C.P., F.A.C.O.E.M., has been appointed Chair of Medicine for Saint Francis Hospital and Medical Center.

A primary care internist and specialist in occupational/environmental medicine, Dr. Grey will practice with Saint Francis Medical Group.

Dr. Grey graduated from UConn School of Medicine and also earned a Master of Public Health degree at University of Washington School of Public Health in Seattle. He completed his residency in internal medicine at Cambridge Hospital in Cambridge, Massachusetts, followed by a fellowship in occupational medicine at University of Washington. Dr. Grey received further training as a post-doctoral fellow at the Robert Wood Johnson Clinical Scholars Program, also at University of Washington.

Dr. Grey joined the University of Connecticut in 1989 where he was involved at all levels of undergraduate, graduate, and continuing medical education, including residency program director for the Primary Care Internal Medicine Residency Program and Associate Dean for Continuing Education. He is a Professor of Medicine at UConn School

of Medicine and has held similar rank at the University of Vermont, Tufts University and the Yale School of Nursing.

Dr. Grey has published many articles relating to the history of medicine and public health, medical education and occupational/environmental medicine and is the author or co-author of two books, New Deal Medicine which focuses on the history U.S. health care policy during the Great Depression and The Bioterrorism Sourcebook a primer on bioterrorism for front line clinicians and public health officials.

He is board certified in both internal medicine and occupational medicine.

About Saint Francis Hospital and Medical Center

Saint Francis Hospital and Medical Center has been an anchor institution in north central Connecticut since 1897. In 2015, Saint Francis became part of Trinity Health - New England, an integrated health care delivery system that is a member of Trinity Health, Livonia, MI, one of the largest multi-institutional Catholic health care delivery systems in the nation. Saint Francis Hospital and Medical Center is licensed for 617 beds and 65 bassinets, is a major teaching hospital and the largest Catholic hospital in New England. Other Saint Francis entities include the Comprehensive Women's Health Center, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, Smilow Cancer Hospital Yale-New Haven at Saint Francis, and Saint Francis Medical Group.
