New Trinity Health Of New England Urgent Care Clinic Opens in Rocky Hill
The new walk-in care clinic, conveniently located on Cromwell Ave. (Rt. 3), aims to help meet the area's growing demand for safe, efficient urgent care.

HARTFORD, Conn. (January 5, 2020)- Trinity Health Of New England is pleased to announce their new Urgent Care Clinic, located in Rocky Hill, opens today. The new Trinity Health Of New England Urgent Care is centrally located at 856 Cromwell Avenue, just off I-91 in the Town Center West plaza. The hours of operation are 8 a.m. to 8 p.m. on weekdays and 8 a.m. to 6 p.m. on weekends.

"This is great news for people across Connecticut. The new Urgent Care Clinic offers safe, efficient care, in a convenient location. Additionally, the opening of the Rocky Hill Clinic is part of Trinity Health Of New England's plan to expand its urgent care footprint and increase access to high quality care in all the communities we serve," said Claudio Capone, Regional Vice President of Strategy and Business Development, Trinity Health Of New England.

Taking urgent care to the next level of convenience, Trinity Health Of New England Urgent Care offers paperless registration allowing patients to fill out their paperwork at home or on-the-go using their computer or mobile device. Patients can also skip the waiting room by getting "in-line" online. Patients have the option to sign-up to automatically receive text messages providing a countdown to their scheduled clinic arrival time. Patients will also be conveniently linked to Google maps through their smart phone to assist with driving directions. For patients that can't make it to the clinic, or prefer the comfort of their own home, Trinity Health Of New England Urgent Care also offers Virtual Visits. To learn more about these options, visit TrinityHealthOfNEUrgentCare.com.

As part of Trinity Health Of New England's comprehensive network of services, Trinity Health Of New England Urgent Care will provide walk-in care for minor illnesses and injuries, treating patients 3 months and older. Conditions treated include:

- Fever
- Cold and flu
- Minor cuts that may need stitches
- Possible broken bones or simple fractures
- Minor, eye, ear and skin infections
- Severe sore throat

- Sprains and strains
- Vomiting and diarrhea

Trinity Health Of New England Urgent Care will also offer on-site, rapid COVID-19, flu and strep testing. Results are available in minutes. Additionally, Trinity Health Of New England Urgent Care is committed to maintaining CDC recommended COVID-19 safety protocols including:

- Masks required for all patients, visitors, and staff
- Temperature and Symptom Checks upon entry
- Strict Cleaning and Disinfection Processes
- Virtual Visits
- Curbside visits
- Seating and floor Markings to Ensure Social Distancing

Trinity Health Of New England Urgent Care accepts most major insurance. In cases where follow-up care is needed, patients will have a fast-track option to see a Trinity Health Of New England primary care provider or specialist.
