Primary Care Physician José R. Orellana, MD, MBA, Joins Hartford Healthcare Medical Group

SOUTHINGTON – Primary care physician José R. Orellana, MD, MBA, has joined the team at the Hartford HealthCare Medical Group in Southington and is affiliated with Hartford Hospital.

Dr. Orellana is well-versed in all aspects of internal medicine, with particular interests in thyroid disease, colon cancer prevention, diabetes mellitus, inflammatory bowel disease and peptic ulcer disease.

Fluent in English and Spanish, he is also proficient in Italian and Portuguese. Dr. Orellana is board certified by the American Board of Internal Medicine and is a member of the American College of Physicians.

Dr. Orellana earned an undergraduate degree from the City College of New York and his medical degree from the State University of New York Upstate Medical University in Syracuse, and completed his internship and residency at Boston City Hospital, specializing in internal medicine. He also received fellowship training in

gastroenterology from the Boston University Medical Center, and a Master's of Business Administration from Southern Connecticut State University.

Dr. Orellana is accepting new patients at the Hartford HealthCare Medical Group offices at 462 Queen St., Suite 301, Southington. To make an appointment, call [860.621.6704](tel:860.621.6704).

Hartford HealthCare is Connecticut's most comprehensive healthcare network. Our fully integrated health system includes a tertiary-care teaching hospital, an acute-care community teaching hospital, an acute-care hospital and trauma center, three community hospitals, the state's most extensive behavioral health network, a large multispecialty physician group, a regional home care system, an array of senior care services, a large physical therapy and rehabilitation network and an accountable care organization. Through its institute model, Hartford HealthCare offers the highest standards of care for cancer, heart and vascular services, neuroscience, orthopedics and urology.
