Saint Francis Hospital and the Hartford Yard Goats Team Up to Gift Onesies to Newborns

HARTFORD, Conn. (May 3, 2021) – Saint Francis Hospital, a member of Trinity Health Of New England, and the Hartford Yard Goats have announced a partnership to gift babies born at Saint Francis with a Saint Francis/Yard Goats branded onesie. In addition to the new onesie, the parents of the newborn will have the opportunity to enter into a monthly drawing with the potential to have their newborn featured during a Yard Goats’ home game.

“The physicians and nurses in our Women and Infant Services at Saint Francis Hospital proudly provide new moms and babies with the safest, top quality care at a critical moment in their lives,” said Thomas Burke, BPharm, M.B.A., President of Saint Francis Hospital. “We have a longstanding partnership with the Hartford Yard Goats and share a common goal to serve the Greater Hartford community, and we are thrilled that this collaboration will bring even more joy to our Saint Francis parents and babies.”

Every year, the labor and delivery unit at Saint Francis welcomes more than 2,500 babies into the world. In their admission packets, parents will be given the onesie, along with instructions on how to enter a monthly drawing. A winner will be chosen each month and will be awarded a prize pack, featuring Yard Goats plush toys. The monthly winner will also be featured on Saint Francis and Yard Goats social media channels, as well as on the videoboard during games at Dunkin’ Donuts Park.
