FOR IMMEDIATE RELEASE:

September 30, 2013

LIFE-SAVING EFFORT. Day Kimball Hospital, part of the Day Kimball Healthcare (DKH) integrated system, was recognized by LifeChoice Donor Services for their “leadership, commitment and dedication to saving lives every day,” which resulted in exceptional tissue donation rates for 2012. In addition to maintaining a 100 percent referral rate to LifeChoice for the third year in a row, the hospital had a 50 percent tissue conversion rate for 2012 compared to LifeChoice’s overall rate of 37 percent. Pictured above is Chas MacKenzie, director of education and hospital services for LifeChoice Donor Services (center), presenting a Donate Life “Summit Award” to John O’Keefe, DKH vice president of patient services (left) and Donald St. Onge, DKH senior vice president, chief operating officer/chief nursing officer (right).
