

FOR IMMEDIATE RELEASE

Sharon Hospital president to update community on Aug. 8

Sharon, Conn. — July 12, 2022 — Sharon Hospital, part of Nuvance Health, will host an online community update from 5:30-7 p.m. on August 8, via livestream video.

Members of the surrounding community are invited to join the virtual webinar to hear from hospital President Christina McCulloch, MBA, BSN, RN. She will discuss the latest hospital developments and provide updates on the affiliation in 2019 that created Nuvance Health. The independent monitor, engaged by Nuvance Health, will report on its review of compliance with the affiliation agreement issued by Connecticut's Office of Health Care Strategy.

A question-and-answer period will follow the presentation. Participants are encouraged to submit questions in advance by emailing sharonhospital@nuvancehealth.org or calling (845) 554-1734 with their name and phone number.

Questions can also be mailed to: Sharon Hospital, Attn: Community Forum, 50 Hospital Hill Road, Sharon, CT, 06069.

Instructions on how to join the virtual meeting are posted on the website: www.nuvancehealth.org/CTForums.

The recorded session and a copy of the digital presentation will be accessible on the website following the event. To request a physical copy by mail, please call (845) 554-1734 (TTY/Accessibility: (800) 842-9710).

About Nuvance Health

Nuvance Health is a family of award-winning nonprofit hospitals and healthcare professionals in the Hudson Valley and western Connecticut. Nuvance Health combines highly skilled physicians, advanced facilities and technology and compassionate caregivers dedicated to providing quality care across a variety of services including the Cancer Institute, Heart and Vascular Institute, Neuroscience Institute and orthopedics, primary care and surgery.

Nuvance Health has convenient hospitals and outpatient locations including Danbury Hospital and its New Milford campus, Norwalk Hospital and Sharon Hospital in Connecticut; Northern Dutchess

Hospital, Putnam Hospital and Vassar Brothers Medical Center in New York; and many primary and specialty care practices including The Heart Center — a leading provider of cardiology care — and three urgent care offices. Nuvance Health affiliates offer non-acute care including Home Care and the Thompson House for rehabilitation and skilled nursing services. Visit nuvancehealth.org for more information.
