**ULYSSES WU, M.D., JOINS SAINT FRANCIS**  
*Specialist in Infectious Disease*

*(Hartford, Conn. – March 14, 2014)* – Ulysses S. Wu, M.D., a specialist in Infectious Disease, has joined the medical staff of Saint Francis Hospital and Medical Center as the Section Chief of Infectious Disease.

Dr. Wu received his medical degree from the Thomas Jefferson Medical College, Philadelphia, Penn. He began his residency in Internal Medicine at Medical Center of Delaware/Christiana Care Health System, Newark, Del., and then served as the Chief Medical Resident in Internal Medicine at Mercy Hospital and Medical Center, Chicago, Ill. Dr. Wu then completed a fellowship in Infectious Disease at Rush University and Medical Center, Chicago, with additional training in Allergy and Immunology at Louisiana State University Health Sciences Center, Shreveport, La. He went on to serve on the faculty as an Assistant Professor and Associate Program Director for Internal Medicine as well as the Associate Fellowship Director at Louisiana State University Health Sciences Center in Shreveport, LA.

An Assistant Professor of Medicine and Key Clinical Faculty at the University of Connecticut, Dr. Wu also serves as the Chair of the Education/Operations Committee for the Infectious Disease Fellowship.

Dr. Wu is board certified in Infectious Disease and Internal Medicine. He is also a member of the Infectious Disease Society of America and the Connecticut Infectious Disease Society.

At Saint Francis, Dr. Wu is practicing as a member of the Saint Francis Medical Group.

**About Saint Francis Care**

Saint Francis *Care* is an integrated healthcare delivery system established by Saint Francis Hospital and Medical Center, an anchor institution in north central Connecticut since 1897. Licensed for 617 beds and 65 bassinets, it is a major teaching hospital and the largest Catholic hospital in New England. Other major entities of Saint Francis *Care* include The Mount Sinai Rehabilitation Hospital, the Connecticut Joint Replacement Institute, the Hoffman Heart and Vascular Institute of Connecticut, the Saint Francis/Mount Sinai Regional Cancer Center, the Joyce D. and Andrew J. Mandell Center for Comprehensive Multiple Sclerosis Care and

Neuroscience Research, and Saint Francis Health*Care* Partners. Johnson Memorial Medical Center, parent organization of Johnson Memorial Hospital, Evergreen Health Care Center, and Home and Community Health Services is also a Saint Francis *Care* Partner. Saint Francis *Care*'s services are supported by a network of five major Access Centers and eight additional medical office centers sited throughout the region.
