Connecticut Hospital Association to Recognize Day Kimball Healthcare's Sherry Kroll, MD, Adult Primary Care Physician, as a 2012 Healthcare Hero

WALLINGFORD – At its 94th Annual Meeting on June 27, the Connecticut Hospital Association (CHA) will recognize Sherry Kroll, MD, Adult Primary Care Physician, Day Kimball Healthcare, as a *2012 Healthcare Hero*. She was nominated for this award by Christine Vallee, Vice President, Physician Services.

Dr. Kroll inspires people not simply through her medical expertise but through her own example as an active community member and an engaged mentor to others. All of Dr. Kroll's "movements" follow a simple formula – generate awareness of a community issue; address the need in a tangible manner; and create a supportive network for sustainability.

CHA's Healthcare Heroes award was developed in 2002 to celebrate the invaluable contributions of healthcare workers, both to their field and to the community at large. Now in its 11th year, the presentation of the Healthcare Heroes awards has become a highlight of CHA's Annual Meeting.
